NEUTRAL GLASS COLOR & STRIKING CAMBRIA® QUARTZ

Make a bold statement with the elegance of Cambria Inverness Stonestreet quartz, featuring a rich, deep black color and a beautiful satin finish. A calming counterpoint to balance out a palette, consider the new light-beige back-painted glass. Its soft, neutral tones provides subtle, refined interest.

STANDARD LAMINATES

*Ash species color and grain variation is significant, ranging from blonde in color to darker. This affects clear coat and stained products. Be aware that the natural variations may be visible within products or from product-to-product.

WHITE OAK TAMBOUR STAINS

All stains are on White Oak Tambour and stained to match our standard laminate and veneer offering.
Available as standard only on Foundation Drum, Oh Hey! Occasional Tables, and Terra Planters.
White Oak Tambour is a natural material. The actual color, grain, and material characteristics may vary significantly from the images shown.
